Founding Documents Degree Requirement

All credential-seeking (degree or certificate) students admitted or readmitted Fall 2015 forward must complete instruction in the essentials of the Declaration of Independence, Federalist Papers, and the Constitution and achieve satisfactory performance on an accompanying examination prior to graduation. This requirement must only be satisfied once at the College of Charleston. Satisfactory performance of a 70 or higher on the examination is required for graduation regardless of the credential awarded.

Students can access the instruction materials and examination for the Founding Documents Requirement in OAKS under My Courses in the section labeled 0000 Ongoing Non-Credit Sections. You can access OAKS by clicking the acorn icon in the upper right hand corner of this page.
