

Statement of Ability to Perform Essential Teaching Duties under the ADA

Although a person has a disability, the courts have held that he or she must be able to perform the essential tasks of a job (See <http://www.eeoc.gov/federal/digest/xi-3-2.html>). We request that you thoughtfully consider whether you can perform the essential tasks of teaching as outlined in our Teaching and Learning Standards (https://ehhp.cofc.edu/assessment/tl_standards.php). Further information regarding the American with Disabilities Act is available at <https://www.eeoc.gov/>.

Please sign and return this document with your application.
