Abatement Policy: Qualified graduate students who are non-South Carolina residents are eligible for an abatement of the out-of-state portion of their tuition. These awards are subject to the availability of funds. These awards are only applicable to graduate credit; undergraduate credit is not eligible for abatement. To qualify for an abatement, an out-of-state student must be awarded an assistantship or qualifying scholarship. Athletic scholarships do not qualify out-of-state students for an abatement. Priority is given to students enrolled full-time.

A student receiving abatement funds must remain in the assistantship or continue to meet the criteria of the scholarship, and remain enrolled in the requested number of hours for the full semester in order to retain the full amount of the abatement funds for the full semester. Failure to do so will result in the loss of abatement funds and may result in the student being charged for at least a portion of the abatement funds awarded.

Note: No additional abatements or adjustments will be issued after September 15 for the Fall term, January 30 for the Spring term, and May 30 for the Summer term(s).
